***Loss Prevention Solution for Casinos, Hotels, Restaurants, and Healthcare***

**Hanover, Maryland, April 5, 2017** - Odyssey Technologies, Inc., a leading video surveillance software vendor, is pleased to announce formal certification by Agilysys of the integration of the Remote Eyes POSWatch™ loss prevention solution with Agilysys InfoGenesis POS.

“The Odyssey team is very excited to be recognized as a full technology partner with Agilysys,” stated John Webster, CEO of Odyssey Technologies, Inc. “With the active assistance and support of the Agilysys integration team, we have taken our loss prevention solution to the next level in terms of completeness, ease of use, and functionality. With the current uncertainty in the high-end POS software market, we view Agilysys as a strong and stable partner that is positioned to deliver to our mutual customers a solid and competitive total technology solution.”
